

Where do I find my Grades?

- On the Course Home Page, Check the Grades Component, Use [Refresh](#) for current grades
- Or
- For more details, Go to the **REPORT TAB**
 1. Select Learner Profiles and/Gradebook Grades
 2. Select the Table report view

Resources Communicate **Report**

Reports Console

Report Settings Saved Reports

Choose Report

Category: Learner Profile Report: Gradebook Grades User(s): LWTC, Student1

Configure Report

Select report view: Table

Learner Profile Gradebook Grades

User: student1.lwtc

Run by student1.lwtc at 8/16/2007 1:41:41 PM

Assignment Title	Grade	Course Average
Testing your Browser Knowlwdge	86.67	86.67

- Select different **Category** and **Report** choices to view your **Grades**
- You will see your **Grades** posted for quizzes and exams taken via **ANGEL**
- If you have submitted a paper, dropbox item, quiz or exam to your instructor, which has to be manually graded, it may take several days before your instructor enters your grade in **ANGEL**
